Director of Missions

(Ben Hall)

We wonder where the time has flown. Yet, when we look back and see the path we have traveled, we have covered much ground. We have seen churches lose pastors and churches call new pastors. At this time we have three churches without pastors. They are Holly Mount, Wadeville, and Troy First. Troy First has been opened only a few days. Rev. Raleigh Castelloe was with them almost seventeen years.

Our year started with a great"'CELEBRATE JESUS CRUSADE" under the leadership of Rev. Alex Willoughby, Evangelism Director. Rev. Milton Hollyfield of the Baptist State convention was our speaker. Testimonies were heard from outstanding Christian athletes. Rev. Raleigh Todd led an association choir.

Not only have our churches been involved in the recovery from Hurricane Floyd, we have been involved with the recovery from the flooding in West Virginia. Some were flooded three times. Several churches have provided clothing, food and furniture for the people in several communities that were hit badly with the floods. We have also gone up to help build shelving and clothing racks for a ministry in Rhodell. We thank Mr. Frederick Taylor and Troy Lumber Company for providing the building materials needed for this project.

As we came to the end of the church year, our Nation stood still when we were hit with terrorist attacks on the World Trade Center in N.Y. and the Pentagon in Washington D.C. Not only did it impact the country with a call to prayer, our association and churches of the area were called into response to assist the many people suffering and grieving from the attack. The nation was called to prayer, and many of our churches experienced a special season of prayer in response to the tragedy.

Stewardship

(Bill Turnmire)

We are thankful to our Lord for His wonderful spiritual blessings in Montgomery County Baptist churches this year. We are also grateful to all our churches who have shared in the financial support of Montgomery Baptist Association missions. Of the twenty-six churches in our Association, sixteen churches increased their financial support, seven decreased, and three stayed the same.

As each church is encouraged to contribute at least 5% of each month's undesignated receipts in the coming year in support of our Associational work, we will have no problem reaching our proposed budget for the coming year. Again, thank you for your financial offerings to the Montgomery Baptist Association.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Baptist Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

I would like to thank the churches and individuals who have supported the Baptist Men's Mission Work for the past 23 years. Although I will no longer be the Baptist Men's Director, I will still be involved in mission work, meeting and working with Christians from North Carolina and other states. These years have been a highlight of my Christian Life. The opportunity to live and work with other church members in North Carolina, West Virginia, Montana, Venezuela, Brazil, and Haiti was an experience that I will never forget.

Some time ago, I read an article about a Midwest State Fair. During the "Dead Weight Pull" by a mule, the two best mules pulled just over 9,000 lbs. each. The farmers decided to harness the two mules together to determine the total weight they could pull. (The farmers had guessed 10,000 to 18,000 lbs.). Together, they pulled over 30,000 lbs. This is the principle of the association working together to accomplish the work of Jesus Christ through mission projects.

WMU

(Bonnie Kelley)

Beyond Belief! What a great theme this past year in WMU. We have been challenged to believe in the extraordinary things that our Heavenly Father can do and will do for us if we put our trust in Him.

As always, it was a very busy year for us. We started the year observing the National Baptist Women's Day of Prayer at Hamer Creek Baptist Church. Ladies were praying throughout the day depending on where they live. I am sure there were some **Beyond Belief** experiences from that day!

We did something new last year. We collected bottles of lotion for the red shoe boxes. These boxes went to women who are incarcerated in the state of North Carolina. For some of them, this is the only Christmas they get. Thank you to all who participated in this mission project.

Another project we did in 2000 was going to Charlotte to the Samaritan's Purse Processing Center. What a great time of fellowship, and to see how generous people can be. We had 395 boxes from our area. Our goal is 500 this year. We can do it if we believe **Beyond Belief.**

After a busy holiday season, we slowed down in January only to get geared up for WMU Focus Week in February. I hope everyone had a good week and that you were able to bring before your congregation what WMU is doing.

Three years ago, when I took office, I set a goal of fifty to participate in Mission Extravaganza. Well, we are over halfway there. This past year we had twenty-nine to go on two different weekends. Once again, a good time was had by all, and we definitely didn't want the weekend to end. Be looking for information as we prepare for 2002. You don't want to miss the fun! Here are some comments from some first-time goers: great mother/daughter weekend..., not a dry eye in your conference..., witnessed faith of Last Frontier Missionaries, learned different way to pray. There are many more thoughts that

could be shared and will be as time goes on. I wish everyone could go share a wonderful weekend with us. If you go once, you are hooked!

In April, we had our annual meeting at First Baptist Church in Mr. Gilead. We had a good number in attendance and enjoyed being in their newly-renovated sanctuary. Hopefully, each of you who read the newsletter have noticed we have gone into different churches this year for our events. We will continue to do that and maybe this next year we can come to your church.

In May, we had a Women's Prayer Retreat/Book Study at Candor Baptist Church. Phyllis Parks led a study on...Beyond Belief Vol. 1 by Dr. Dellanna O'Brien. Phyllis did a great job, and we all enjoyed the fellowship and food around the tables! Phyllis gave those in attendance an angel ornament made out of flower pots. We are all looking forward to the Vol. 2 book study.

In June, the Leadership Team went to Caraway for the annual training. This is always good to go to as a team and prepare for the next year.

In August, we had our annual Christmas in August Party. This year we were at Candor Baptist Church. We invited Mr. & Mrs. Zeb Moss, retired missionaries to Africa to come be our guests. Mrs. Moss was unable to come, but Mr. Moss gave a very interesting program. A good time of crafts and Bible study were shared by those who came. As always, our numbers keep growing. Also, in August we had our Annual Leadership training at Tabernacle Baptist Church. We had a good attendance but would like to encourage more to come.

As I have said before, our numbers have grown each year. We look forward to higher attendance as we plan another busy year. Let's have our own **Beyond Belief** moments and stories here in Montgomery County. Our council members were: Delores Hicks, Assistant WMU Director; Phyllis Parks, Women on Mission Consultant; Lynne Griffeth, Missions Friends Consultant; Misty Hildreth, Children in Action Consultant; Cindy Stutts and Wanda Wilson, Acteens Consultants; Shirley Hall, Mission Support; Jean Cranford, Secretary Treasurer; Irma Robledo, Ethnic Language Consultant; and Virginia Chappel, Nominating Committee Chairperson. We had two ladies to pass the reigns to some new blood. Phyllis and Lynne did a great job for our association the years they were on the council. They will be missed, but we will still see them around. We thank you both for all your hard work and your love for the Lord. In closing, let us remember the words of our 2000-2002 Watchword, "Now to him who is able to do immeasurably more than we ask or imagine, according to his power that is at work within us, to Him be the glory...forever and ever! Amen!! (Ephesians 3:20-21 NIV)

RESOLUTIONS COMMITTEE

(Delores Hicks)

Whereas, God has richly blessed our churches and our Association during the past year, and **Whereas,** in this One Hundred Thirteenth Annual Session of the Montgomery Baptist Association meeting at First Baptist, Star on October 23, 2001 beginning at 3:00 p.m., we continue to see support and interest from the churches. Be it therefore resolved:

1. That we express our deepest gratitude to God for His blessings;
2. That we express our appreciation to Rev. Billy Dennis for his able and dedicated service as moderator;
3. That we express our gratitude to Joyce Litton for her service as clerk;
4. That we express our appreciation to Rev. Ben Hall for his leadership as our

Director of Missions and to the members of various committees, the heads of our different departments, and to all who served this year in our Association work;

5 That we express our gratitude to First Baptist Church Star for the gracious manner in which they hosted the Association, and for all the churches that provided the delicious meal;

6. That we continue to express our appreciation for those who work in the Sharing Place and the Food Ministry;

7. That we encourage our churches to support the Association and other missions at home and abroad with their generous gifts and prayers.

YOUTH

(Lynn Davis)

Our youth are our greatest resource.

In January, we had Renee come and share in testimony and sing; though the crowd was small, we had a wonderful time.

In March, some of our churches recognized the youth by having Youth Sunday. Also in March, we had a countywide youth sing. We have a lot of talented youth in our county. There was also a love offering taken at this time to help remodel a house in Mt. Gilead. Although it has taken a little longer than first anticipated, the project is still underway. We have had several donations from businesses and churches for this project. I will keep you advised on how it is going.

It has been a challenging but wonderful experience working with the youth this year.

SENIOR ADULTS

(Lawrence and Barbara Stewart)

The Senior Adult Ministry has had a good year. A general meeting in the spring gave birth to a program that has touched many churches and afforded opportunities to serve in Jesus' name.

WEST VIRGINIA MISSION ACTION PROJECT was born and excited many of us to become involved in hands-on mission action.

A spy trip to southern West Virginia, essentially Raleigh County, opened our eyes to 14 poverty pockets, challenging us to get our hands and hearts involved. More than eight trips by several groups brought us to accept the challenge to bear the burdens of one another.

Groups from every area of the Montgomery Baptist Association become assimilated in various outreach actions. A blessing came as Star House of Praise Church and Macedonia Presbyterian of Candor joined us on two different adventures to Rhodell, WV. Considerably more than 2,000 boxes of clean good used clothing, jackets, bed linens, blankets, comforters, drapes, etc. made their way to homes where people slept on the floor in dilapidated, unsanitary housing.

Then the floods came, three in about 20 days. Raging torrents of water washed sheetrock off the walls, moved whole houses from their foundations, leaving many homeless and heart broken. Montgomery Baptists, along with others, rose to the occasion. One semi truck and two other large trucks carried furniture, household items, and countless other necessities. One church carried more than 200 gallons of bleach as well as 200 gallons of detergent to aid the clean-up process. Shelves were built in the Open Door to help with the distribution of clothes.

However, the major ministry has been food. One of our smaller churches rose to the challenge and raised and gave well more than $10,000.00, all of which has or will go to feed the hungry hurting people. The next trip is going on even as you read, and another venture is scheduled for Nov. 30th and Dec. 1st, when it is anticipated we will serve some 150 families food, blankets, and Christmas for the children in Beckley proper. This is, and will be, an ongoing ministry.

A special words of thanks to our Director of Missions for his encouragement, personal involvement, and support. We thank God for the privilege of serving God and the Montgomery Baptist Association.

Office of Annuity

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance, ministry to seminary/divinity students, and church/clergy tax issues. These services are provided in a variety of ways to churches and church employees.

As a result of an expanded mission statement and two new ministry assignments given to the Annuity Board in 2000, the year 2001 is proving to be one of transition. Specifically, much of the Board's work during 2001 has focused on preparing to offer personal investing and institutional investments with the accompanying need for all the investment funds to be registered during this year. Despite a disappointing year in the financial markets, ten of the fourteen Annuity Board investment funds out-performed their benchmark for the year. More specifically, all six equity funds and all four blended funds exceeded benchmark returns while all four fixed income select funds under-performed.

Insurance continues to be one of the greatest challenges as the Annuity Board continually seeks to maintain viable products for participants. New insurance products and services have been developed and plans outlined for implementation. Two new Medicare supplement plans were designed and implemented. The Annuity Board paid more than $139 million in insurance benefits last year.

The Endowment Ministry, designed to give support to retired ministers, denominational employees and their widows with special needs, enjoyed a banner year. The relief ministry reached a record monetary level as $5.3 million was distributed to needy retired ministers and widows. Guidelines for the Adopt An Annuitant ministry were revised to allow more applicants to qualify for the gift.

As of May 31, 2001, there were 4,842 active participants in the retirement plan with 62% of our North Carolina churches participating. The number of persons receiving retirement benefits has increased to 2,815 with another 361 being assisted through the Adopt An Annuitant ministry plan.

It is our strong desire to serve all of our churches, ministers, and church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5201 extension 174, visit our Web site at www.bscnc.org, or call the Annuity Board at 1.800.262.0511 or visit the Annuity Board Web site at www.absbc.org.

Baptist Children's Homes of North Carolina

Baptist Children's Homes serves a record number of children. In 2000, Baptist Children's Homes of North Carolina served a record 2,000 children and more than 1,600 families statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, value change homes for boys and girls in Franklin and Asheville and for girls in Lenoir, a wilderness camp for boys in Cameron, emergency care cottages at each of the residential campuses and in Waynesville, and a model day care in Thomasville.

Children tell their stories during Baptist State Convention report. Standing ovations, applause and heartfelt hugs greeted the children and staff at their 30-minute presentation during the 2000 Baptist State Convention in Winston-Salem. More than 130 BCH children, child care workers and staff sang, shared their stories and said "thank you" to the approximately 4,500 messengers attending the Tuesday afternoon session. Messengers heard the special testimonies from Citadel graduating senior and former Broyhill Home resident Jason Davis and Hannah Adam's mother Donna. Hannah has participated in both the 2000 and 2001 BCH Respite Camp for Developmentally Disabled Adults.

Jason Davis thanks messengers. Jason was featured in the 1995 Baptist Children's Homes report to the convention. At that time he was 17 and dreamed of a career in the Air Force. During his testimony at the 2000 convention, Jason appeared in the full dress uniform of The Citadel. He reminded messengers that if it had not been for their care and support he could have never realized his dream. He told messengers that he credited them for the opportunities he has known. Jason said he plans to always come back to visit the children and just as others gave to help him, he would give to help the other children who would come to BCH after him. Upon his graduation from The Citadel in May 2001, Jason Davis was commissioned as a Lieutenant in the United States Air Force.

Donna Adams claims Developmental Disabilities Ministry an answer to prayer. The final testimony of the BCH presentation was not given by a child, but by a mother. Donna Adams of Laurinburg strained to maintain her composure as she shared how BCH's new ministry for developmentally disabled adults was the answer to her prayers. Adam's daughter Hannah suffered brain damage as an infant. Today, Hannah is a beautiful young woman. Donna said she is comforted in knowing North Carolina Baptists and Baptist Children's Homes would be there as her family plan for Hannah's future. She thanked messengers on behalf of other parents and families of developmentally disabled children for their support and commitment to this ministry.

North Carolina Baptists reach $1,000,000 Thanksgiving Offering goal. Because of the support of Baptist churches all across North Carolina, Baptist Children's Homes met the 2000 Thanksgiving Offering goal of $1,000,000! The goal was record for the agency. BCH president Michael C. Blackwell said he was "enormously gratified at this outpouring response." Baptist Children's Homes is grateful to all North Carolina Baptists who committed themselves to help meet this challenging goal.

First Baptist Church of Salisbury sets goal they couldn't reach. Interim pastor Dr. Dale Steel said collecting a church record of $18,300 for the 2000 Thanksgiving Offering was fun. Dr. Steel recounted the meetings that led to setting the church's goal at 1% of the total BCH goal of $1 million or $10,000. In 1999, the church gave approximately $3,500. The church's leadership decided to set a goal they could not reach on their own. Leading with prayer and a commitment to meet their goal, the church watched as they passed their goal and reached their record amount. One month after receiving the record Thanksgiving Offering, the First Baptist Church of Salisbury collected the third-largest

Lottie Moon ingathering in 11 years. Dr. Steel credits the church's vision, enthusiasm and determination to do their part for missions as being the key to their success.

BCH breaks ground on two new DDM homes, and dedicates new children's cottage in Marshville. In June, Baptist Children's Homes broke ground for two new group homes for developmentally disabled adults in Winston-Salem. The homes - Davis House and Hinkle House - are being built adjacent to BCH's Baptist House at Bethabara and will open in early 2002. The R.P. and Ella Mae Stegall Home was dedicated August 19, 2001. The new group home is located in Marshville and provides residential care for nine boys.

New Millennium Families **study guide offered to churches.** The study guide to accompany Dr. Michael C. Blackwell's book ***New Millennium Families*** is being made available to churches for group Bible studies this fall. Dr. Blackwell believes BCH can help strengthen families in North Carolina Baptist churches and is committed to providing the necessary resources. Dr. Blackwell's new book, ***A Place for Miracles,*** is a history of Baptist Children's Homes, and will be available in late 2001.

BCH anticipates another record Thanksgiving Offering. The 2001 Thanksgiving Offering goal is $1,100,000. This represents a $100,000 increase over last year's record-setting amount. The number may seem enormous, but there is an enormous need. Children and families turn to BCH broken, battered and burdened. But with the help of North Carolina Baptists, BCH shows them God's love. BCH is counting on North Carolina Baptist churches to help meet this important goal during this time of economic uncertainty. Call 1-800-476-3669, ext. 1209 to order promotional material, the new Thanksgiving Offering video, last year's BCH Convention Presentation video or to request a speaker to tell the BCH story in person.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church-designated and individual gifts, memorials, honors and estate gifts enable us to fulfill our mission statement: "helping hurting children...healing broken families."

BCH is grateful for North Carolina Baptists' prayers and support.

Respectfully submitted by,
Michael C. Blackwell, President

FOR YOUR INFORMATION...
FACT SHEET

WHAT IS THE BAPTIST RETIREMENT HOMES?

Founded in 1951, Baptist Retirement Homes of North Carolina, Inc. (BRH) is one of North Carolina's most respected providers of long-term care. With four retirement communities throughout the state, BRH provides all levels of care for Older Adults, including special programs for conditions such as Alzheimer's Disease. The Homes' new continuing care retirement community called The Gardens of Taylor Glen is under development near Charlotte. BRH also owns and operates a home health program that provides certified nursing and therapy services to homebound individuals. Baptist Retirement Homes is a not for profit organization affiliated with the Baptist State Convention of North Carolina.

Are Residents Of Baptist Retirement Homes Primarily Baptists?

At the Brookridge Community, 60% of the resident population is Baptist. About 80% of the resident population of the Western North Carolina Baptist Home is Baptist. The Taylor House and the Hamilton Baptist Home are primarily composed of Baptist residential populations.

What Is The Cost Of Services? Are Financial Resources Available For Those Who Cannot Pay?

Fees vary according to facilities and the level of care chosen or required by residents. A full schedule of fees for each facility is available upon request. There are no entrance fees associated with any of the health-related facilities owned and operated by Baptist Retirement Homes. The Hamilton Baptist Home and The Taylor House are among the few not-for-profit, church-related, long-term care facilities in North Carolina with no financial requirements for admission. Contributions received from the Baptist State Convention Cooperative Program, the North Carolina Offering for Older Adults, and from local Baptist churches across the state are used exclusively to help BRH provide care for those Older Adults in either assisted living or nursing care who are unable to pay the full cost of the services they need.

Does The Baptist State Convention Of North Carolina Support Baptist Retirement Homes?

Baptist Retirement Homes is affiliated with the Baptist State Convention of North Carolina but is a separate and distinct corporate entity. Messengers of the churches that compose the Baptist State Convention elect BRH Board members. In 1999, funds received from the Convention Cooperative Program, the North Carolina Offering for Older Adults, and local Baptist churches totaled approximately $1.6 million. All of those monies are being used to support Older Adults living in assisted living or nursing care who lack sufficient financial resources to pay for the care they receive.

Where Are BRH Facilities Located and What Services Do They Offer?

The Brookridge Retirement Community in Winston-Salem is a 44-acre continuing care retirement community, established in 1989. Brookridge offers its 300 residents independent and assisted living and nursing care services. 2001 Annual Report To The Associations

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educat-

ing God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Sixth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.

b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 17,000 copies have been mailed. CAL was instrumental in getting HB 195 passed that would allow public schools to post the Ten Commandments. This bill passed 94-18 on 7/26/2001.

c. Promoted awareness of worldwide persecution of Christians through email alerts and radio.

d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust" through our newsletter and providing a link from our website for the purchase of these posters.

e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.

f. Set up CAL exhibit at Baptist State Convention

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, has expanded to WAAE, 91.9 FM in New Bern and WRNA (1140 AM) and WRKB (AM 1460) in Kannapolis. This broadcast consists of a five-minute commentary on issues that affect our lives today. Our projection is to ultimately reach the whole state.

C. Gambling

a. The Christian Action League has been instrumental in keeping a lottery referendum bill in Committee. Through our newsletter, emails, radio and postal service, we have encouraged the Christian Citizens of North Carolina to keep letters and calls constantly coming in the N.C. General Assembly telling their legislators they do not want a lottery in North Carolina.

b. The Executive Director and President of CAL joined Citizens United Against the Lottery in a grassroots effort to fight the lottery. The Executive Director spoke at a news conference held at the Press Room of the Legislative Building by this group. Members of CUAL are Chuck Neely, former gubernatorial candidate, Frank Daniels, Jr., former publisher of the News and Observer, Dr. William Friday, former President of the UNC System; Dr. Billy Graham, U.S. Senator, Lauch Faircloth, former State Treasurer Harlan Boyles and former Governor Robert Scott.

c. CAL has held "A Christian Looks at Gambling" workshops in Statesville, Burlington, Morehead City, New Bern, Laurinburg, Asheville, Charlotte, Beulaville and Salisbury, areas whose legislators were targeted as "on the fence" on the lottery issue.

d. The League has provided a packet of gambling materials for preachers across the state to use in educating their people about the dangers of a lottery.

D. Abortion

a. The Executive Director of CAL spoke before a Senate Committee to promote HB 275 - Infant Homicide Prevention Act. The bill, which nearly failed to get out of the House in the spring, gained near unanimous support after the

Christian Action League got behind the legislation. The bill allows mothers under certain circumstances to avoid abandonment charges if they leave their newborn with a responsible adult or health care provider. The League believes that this is an alternative to abortion and infant homicide after birth.

b. CAL has encouraged its members to call President Bush to encourage him to stand firm for the sanctity of human life on the issue of stem cell research through emails.

E. Alcohol

a. Participated in four LBD campaigns since January, 2001. We help with their organizational meetings, rallies and providing educational materials. Wilson Mills was successful in defeating off-premise beer and wine sales.

b. Worked in the General Assembly for defeat of HB 1143 - Sports Club ABC Permits which would allow liquor-by-the-drink without a vote of the people. Rev. Mark H. Creech, Executive Director of CAL, spoke before the Senate Committee against this bill. Unfortunately, the Governor signed this bill into law on 5/30/2001.

F. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert and newsletter. We tract bills that would give protected status for homosexuals. Several bills this session are HB 941, HB 871 and SB 547; all remain in committee.

Council on Christian Higher Education

When it comes to colleges, *"one size does not fit all."* There is a difference.

North Carolina has 117 post-secondary institutions. Some are classified as community or technical colleges. Others are public, while some are private. Some are Bible colleges. One is a seminary and one is a junior college.

Some have large campuses, while others have modest facilities. Some have major sports teams, while others have intramural events. Some have significant endowments, while others struggle to stay open. Some have government support, while others depend on private support.

North Carolina Baptist colleges and universities are unique. They are institutions we trust and support. They represent places to share our core belief that one's education should involve the heart, soul and mind. This belief is not shared by every institution in our state. Some are not allowed to invoke the name of God, neither are they allowed to worship God. North Carolina Baptist Colleges, however, are different.

The colleges and universities associated with the Baptist State Convention of North Carolina affirm their faith in God and acknowledge their Baptist heritage. Students on our campuses are challenged to develop their faith through Bible study, worship, ministry and mission opportunities in addition to their academic studies.

When a professor on one of our campuses was asked, *"Why have you chosen to be a part of this facility?"* He responded, *"Because I am free to mention the name of Jesus on this campus."*

When it comes to colleges, *"one size does not fit all."*

Students in our churches struggle when they are deciding which college or university to attend. It is a decision that will follow them the rest of their lives. If they choose a school where faith is left out of their educational experience, they will graduate with degrees without the benefit of their faith being challenged.

Thank you North Carolina Baptists for your continued support of Christian higher education at Campbell, Chowan, Gardener-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

The North Carolina Baptist Foundation, Inc.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and 18 charitable remainder trusts totaling $1.9 million and received $3.6 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $4.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $10.1 million in contributions, it was the best year ever eclipsing the previous high of $9.3 million recorded in 1999.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2000, the Foundation held $97.4 million under management. This is an increase of more than $4.1 million over 1999.

The Foundation also experienced a record year in distributions in 2000. The previous high in distributions was 1999, with $5.3 million distributed to charity and individuals. In the year 2000, our distribution totaled 9.1 million dollars, with charity receiving $6.7 million and indiviuals, through trusts, receiving $2.4 million. During the 81-year history of The North Carolina Baptist Foundation, Inc., $18.5 million has been distributed to individuals and $32.4 million to Baptist churches, institutions and mission causes for a grand historical total of $47.1 million.

HOSPITAL FOCUSED ON PARTNERSHIPS IN HEALING

"We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Baptist Hospital's founding commission penned these words in 1921, and this partnership in healing has been our defining purpose. Our Christian heritage remains the foundation of Baptist Hospital and undergirds our daily commitment to provide compassionate, state-of-the-art medical care to those we serve. The Christian faith is truly the "soul of our institution."

SCHOOL OF PASTORAL CARE

The mission of the School of Pastoral Care at Baptist Hospital is: To *provide ministries of growth, hope, and healing in the Spirit of Christ.* We are thankful that North Carolina Baptists are a significant partner in this mission, helping us to bring hope to thousands of people each year.

The Department of Chaplaincy and Pastoral Education provided ministry during the past year through more than 61,000 pastoral visits, and worship services every Sunday, Monday, Wednesday, and Friday. The department's Clinical Pastoral Education (CPE) program received a 10-year accreditation from the Association of Clinical Pastoral Education site review team. Fifty-eight students received training in one of the largest and finest CPE programs in America.

The Department of Pastoral Counseling, CareNet, Inc. continues to develop its ministries. Rev. Steve Scoggin became the director of the system's newest center, the East Carolina Counseling Centers, Inc., in Greenville, N.C. CareNet's counseling centers provided more than 25,500 hours of compassionate pastoral counseling in 17 locations across the state during the year. It is the largest pastoral counseling system in the nation. Thanks to N.C. Baptists, free or reduced rate counseling is made available to lower income people.

The Center for Congregational Health, Inc. continues to assist churches in becoming healthier communities of faith. The Center provides consultation to 25 congregations a month. Over 600 church leaders received training in educational events conducted by the Center during the past year. These include the Young Leaders Program for ministers under age 40, and Intentional Interim Ministry training. Thanks to N.C. Baptists, the Center receives essential support for its ministries. This support pays for initial consultation for all Baptist churches, and provides subsidies for churches and ministers who need special financial assistance.

The Department of Church and Community Relations continues to serve as a liaison between the Hospital and churches of the Baptist State Convention. The department's director, Rev. Paul Mullen, provided ministry through 150 requests for assistance with obtaining medical care or concerns about medical bills. More than $65,000 was provided to N.C. Baptist ministers and their families by the 25% subsidy for their hospital bills. A variety of benevolent ministries was also coordinated, primarily the Baptist Benevolent Care Fund.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists, through the Mother's Day Offering, opened their hearts to

patients in financial need and gave $560,624 in 2000 for the compassionate mission of benevolent care at Baptist Hospital. All of these funds were used to pay the hospital bills of patients in financial need. The fund helps patients who "fall between the cracks," making too much for government assistance but not enough to pay for healthcare insurance. They are deeply thankful to N.C. Baptists for this gracious witness to God's love. As one recipient said, "God smiled on us through the Baptists of North Carolina." Her son is a 13-year-old cancer patient.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Ranked Among the Nation's Best - Baptist Hospital, part of Wake Forest University Baptist Medical Center, ranks among the nation's top hospitals according to the July 2001 issue of *U.S. News and World Report.* One hundred eighty-eight of the nation's 6,299 hospitals appear on the list.

Comprehensive Cancer Center Recognized for Excellence - The Medical Center's Comprehensive Cancer Center received a 5-year renewal of its status from the National Cancer Institute. The Comprehensive Cancer Center is one of only 37 such centers in the nation, and is the only one in western North Carolina. It includes Prostate and Breast Cancer Centers of Excellence.

Medical Center Earns Recognition for Trauma Care - Baptist Hospital, a Level One Trauma Center, received verification in both adult and pediatric trauma services in February 2001 by the American College of Surgeons. It is the first Level One Trauma Center in North Carolina to receive such recognition.

Downtown Health Plaza Opens - The 47,000 square foot Downtown Health Plaza opened in 2001 to provide healthcare for underserved people in Forsyth and surrounding counties. Thousands of indigent children, adolescents, and adults have received compassionate and thorough medical care during the year.

Expansion of Brenner Children's Hospital - Construction of a 400,000 square foot, 11-story addition to the hospital's Ardmore Tower is moving toward completion. Six of the floors will provide space for Brenner Children's facilities, such as private patient rooms, family resource centers, and programs for children with disabilities. The Tower will also include new cardiac catherization labs and operating rooms.

Information and Appointments - For more information on health related issues or to make an appointment with a physician, contact HEALTH-ON-CALL at 1-800-446-2255 or 336-716-2255.

A CLOSING WORD FROM THE PRESIDENT

The values of our Christian faith are the guiding principles of the North Carolina Baptist Hospital mission. We are strongly committed to be a place of healing, bridging compassionate and respectful care in the Spirit of Christ with the best of medical science and technology. This commitment reflects our heritage and shapes our vision for the future. We are thankful to North Carolina Baptists for being our partner in this healing mission. We were created to serve and care for people in times of their healthcare needs, and we are here for you.

Respectfully submitted,

DIRECTOR OF MISSIONS
(Rev. Ben Hall)

It is hard to believe that seventeen years have passed since I became your Director of Missions. At the quarterly executive meeting in January 2002, I announced my retirement to be effective July 1, 2002. Since then, I have stayed on as interim DOM.

These years with you have been a challenge. Let me express my appreciation to all the churches, pastors, and other individuals who have been a great part of this ministry. I have seen a greater interest in the association by the churches and the members. Our growth of ministry and mission involvement has grown.

One of the most exciting things this year that the association and many of the churches have been involved with is **THE RACE OF LIFE EVENT** sponsored by the Troy, County, and Churches of the Association. In this event, Rev. Dale Beaver, who is the chaplain of NASCAR, spoke for three nights. A community choir, along with high school and elementary school children, provided special music. Several others from the community provided special solo numbers. Each night we had the Christian testimony of personalities from the NASCAR racing circuit. Monday night Jeff Chandler shared his testimony; Tuesday night, Robbie Loomis shared his testimony; Wednesday night, Kyle Petty shared his testimony. As a part of Wednesday night, we celebrated and honored the public servants of Montgomery County. This proved to be a most moving experience as the public servants marched along the sidelines of the field. As the national anthem was sung, fireworks added more furver to the singing. The evening closed with a volley of more fireworks.

As this is my last report for the annual, we will be praying for the Association as a new director comes to take up the job. Pray for him and support him even better than you have supported the work these seventeen years. May God continue to bless you and the Association. Be in prayer for the search committee as they do their work. Let this be a new day for the Association. As a new person comes to lead you, please help him by giving him your support. I believe there are greater days ahead for the work of the association. Many new directions are available for you. **Let's press forward for the cause of the high calling of Christ, giving Him the glory for the work of our churches and the Association.**

STEWARDSHIP
(Rev. Bill Turnmire)

We are thankful to our Lord for His wonderful spiritual blessings in Montgomery County Baptist churches this year. We are also grateful to all our churches who have shared in the financial support of Montgomery Baptist Association missions. Of the twenty-six churches in our Association, thirteen (13) churches increased their financial support, nine (9) decreased, and four (4) stayed the same.

As each church is encouraged to contribute at least 5% or more of each month's undesignated receipts in the coming year in support of our Associational work, we will have no problem reaching our proposed budget for the coming year. Again, thank you for your financial offerings to the Montgomery Baptist Association. For the year 2001-2002, the following was received:

Bethel	$1,020.00
Biscoe First	$3,500.00
Blackwood Chapel	$1,800.00
Calvary	$3,200.00
Candor	$1,749.46
Dover	$3,833.85
Eldorado	$1,170.00
Exway	$1,872.51
Forks of Little River	$1,440.00
Grace Memorial	$ 844.14
Hamer Creek	$3,916.47
Holly Mount	$1,000.00
Laurel Hill	$2,131.30
Liberty Hill	$2,321.00
Mt Carmel	$9,305.16
Mt Gilead	$2,500.00
New Hope	$1,200.00
Pleasant Grove	$ 693.72
Prince of Peace	$ 180.00
Star First	$2,513.91
Stoney Fork	$3,065.93
Tabernacle	$ 920.00
Troy First	$12,775.29
Wadeville	$ 450.00
Westbrook	$ 300.00
White Crest	$ 979.26
TOTAL	**$64,682.00**

1 church gave above 7%
3 churches gave above 6%
4 churches gave above 5%
4 churches gave above 4%
5 churches gave above 3%
5 churches gave above 2%
4 churches gave above 1%

Our possible receipts based on 2001-2002 undesignated receipts of $1,577,871.00 @ 5% would be $78,893.55. We earnestly plead and pray our pastors and treasurers would help to achieve this potential goal.

BAPTIST MEN
(Rod Kelley)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Baptist Association in their task of bringing men and boys to God through Jesus Christ by helping involve men and boys in missions.

I have learned a lot this year as Brotherhood Director for Montgomery Baptist Association. I learned how to build a handicap ramp under the direction of Paul Gordon and Harold Whitaker. As we started out a new year, I went with the leadership team to Key Leadership at Caswell where I learned different ideas to involve Baptist Men here in Montgomery County.

One of the best tools that we have at our disposal is our Regional Brotherhood Rally where we have a time of singing, Bible study, sharing, and prayer. If you have never been to a regional rally, I encourage you to go this year, or if you have gone in the past but it has been a while since you last attended a rally, now would be a great time to get back into the swing.

More plans and ideas as this next year gets under way.

SUNDAY SCHOOL
(Dr. Donald Davis)

Sunday School, or Bible Study as it is often referred to, is the primary vehicle for reaching and teaching the principles of God's truth. Sunday School is a vital link in church growth.

Ben Hall and I attended the Associational Sunday School Leadership Training Conference held in Statesville, NC on April 6 and 7. The conference was very informative and we brought back numerous ideas. We had hoped to share some of these ideas with the churches, however, due to health problems, we were unable to do so. Hopefully, in the coming year we will have the opportunity to share some of these ideas in an Associational Sunday School Workshop.

Let me encourage all of our churches to keep in mind the fourfold task of the Sunday School:

- Reaching people
- Teaching the Bible
- Winning the lost
- Teaching the saved to observe all things taught by Jesus.

May the Lord bless each church as we enter a new associational church year.

WMU
(Mrs. Bonnie Kelley)

Beyond Belief! As I prepare this report it is hard to believe I have begun my fifth year as your Associational WMU Director. This past year was another busy one for us in WMU.

Our year began with the observance of Baptist Women's World Day of Prayer. We met at Troy First. We had several speakers share with us some Beyond Belief experiences. We collected items for our Baby Love project. This ministry has really helped a lot of new babies have a better start in life.

As we had done the year before, we collected toothpaste last year to be sent to Raleigh for the Red Shoe boxes for the female prisoners. We collected 614 tubes. For some of these ladies this is the only Christmas they receive. Also, in December we took a trip to Charlotte to work in the Operation Christmas Child warehouse. What a great opportunity to share God's love with these boys and girls all over the world. We collected 395 throughout the county.

In February, we made plans for WMU Focus Sunday. I hope that the ladies are given this Sunday to bring before the church what WMU is all about and how important the group is. I recently shared with a group that WMU has been around since 1888 and that we all belong to a unique organization of women.

We spent the months of March & April preparing for our Annual Meeting. This past year we met at Mt. Carmel Baptist Church. Our guest speakers were two young ladies who had been to Africa with Zeb and Evelyn Moss (retired missionaries) in the summer of 2001. It was definitely a life-changing experience for them. Also in April, we made our trip to Ridgecrest. We had approximately 35 ladies to go over two different weekends. A great time was had by all. This is such a great weekend. As I have said before, once you go, you are hooked! We are in the process now of making plans for next year. Please call me for more info.

In May we began making plans for our Christmas in August. In June and July, the team did not meet but we participated in other activities.

In August, we came back to put finishing touches on the Christmas in August Party and plan our Leadership Training for our church leaders. For the past three years we have done this on Saturday morning and attendance has not been the best, so we are going to go back to an evening session. We do this training session to help you, the leaders, new and old. Things are always changing in life and we need to do our part to keep up with those changes.

WMU
(Continued)

As I have said before, we would like to see more come out for the events we plan for you. If you have an idea for a mission project or event, please feel free to call me. Our council members were: Delores Hicks, Assistant WMU Director; Janno Daniel, Women on Missions Consultant; Cindy Stutts and Wanda Wilson, Acteens Consultants; Misty Hildreth, Children in Action Consultant; Marlene Dunn, Mission Friends Consultant; Shirley Hall, Mission Action Consultant; Irma Robledo, Language-Ethnic Consultant; Jean Cranford, Secretary-Treasurer; Sandra Tedder, Nominating Committee Chairperson; and myself, Bonnie Kelley as your Director. This was Jean's last year on our council, for now. We have told her she could take a break and then we will get her back. We want to thank her for her hard work and keeping us straight with our monies and minutes.

Our watchword for the year was, "Now to Him who is able to do immeasurable more than we ask or imagine, according to his power that is at work within us, to Him be the glory forever and ever! Amen! (Ephesians 3:20-21 NIV).

ASSOCIATIONAL MUSIC
(Rev. Raleigh Todd)

The highlight of this year's associational music ministry came with the July 7th presentation of "America - A Pilgrim's Prayer, A Patriot's Dream". Choir members from nine Baptist churches, along with members from three other churches in Montgomery County, presented the musical at FBC Troy. This combined choir of over fifty did an excellent presentation. Many of our participants also participated in the "Race of Life Event" at EMHS in September. Plans are already underway for next year's patriotic service, and we hope many more of our churches will participate.

EVANGELISM
(Rev. Michael Madaris)

No report submitted.

RESOLUTIONS COMMITTEE
(Mrs. Phyllis Parks)

YOUTH
(Lynn Davis)

As I have said many times before, our youth are our greatest resource.

We worked on a project to remodel a house in Mt. Gilead. Even though it took a little longer than first anticipated, we have completed all we were able to do on it.

It has been a challenging but wonderful experience working with the youth this year.

SENIOR ADULTS
(Rev. Lawrence and Barbara Stewart)

Senior Adults have been busy this year with ministries in several areas, including two mission trips to southern West Virginia to minister in Rhodell, Welch, Beckley, Yeager, Odd, and other communities where major flooding had destroyed many homes and left the people desperate for the necessities of life. Large trucks loaded with food boxes averaging some value of $150.00 or more for some 240 families were delivered in December, along with clothes, furniture, toys and Christmas items for the children.

Again in the spring more trucks went with food supplies, bed clothes, towels, wash cloths, and other linens and furniture.

Some individual churches such as Tabernacle, Stoney Fork, and Macedonia Presbyterian and a few individual groups adopted specific families with particular needs and served at various times throughout the year. These projects have inspired individual churches to establish food ministries here in Montgomery County, such as Forks of the Little River, which has a growing food pantry, and is gathering resources to expand the base of operations.

Hopefully, this service in Jesus' name will expand to more places, both in and outside North Carolina.

OFFICE of ANNUITY

The Annuity Office of the Baptist State Convention of North Carolina continues to enjoy a close working relationship with the Annuity Board of the Southern Baptist Convention in providing services related to retirement planning, financial support of ministers and other church employees, life and health insurance, church/clergy tax issues, and ministry to retirees and seminary/divinity students.

Despite national and international market volatility, national grief, and a wartime political climate during this past year new opportunities and services were launched in an ongoing effort to fulfill the guiding principle of *Serving Those Who Serve the Lord.* To be specific, all the investments funds were successfully restructured to a registered mutual fund environment, called AB Funds Trust. As a result, new retail investment products, under the theme "New Investment Opportunities . . .*Absolutely!"*, were introduced. For the first time ministers, church employees, and annuitants may now open IRA and Personal Investment Accounts. With the passage of the Economic Growth and Tax Reconciliation Act (EGTRRA) retirement options have been enhanced dramatically including the ability to roll over other retirement funds from a secular employer.

Furthermore, new medical and disability insurance products were rolled out with the commitment to provide several options to meet increasingly different needs of our populace. Endorsed carriers, such as long-term care and property/casualty, continued to attract interest from our churches and church employees.

The Endowment and Relief Ministry was restructured to provide enhanced financial assistance to the needy, retired ministers and their widows. Funds available to assist these person increased as well as the number of people who applied for this assistance.

The 2002 SBC Compensation Study with 35 state conventions participating has been conducted and the results are now accessible on the internet. For the first time church leaders are now able to do a customized study on the web. We are very excited about this useful tool as one valuable resource in assisting church leaders as they study to determine what is a fair and equitable compensation for those who serve the Lord in our churches.

As of June 30, 2002, 61% (2,314) of our NC churches were actively participating in the retirement plan. A record number of 2,581 were receiving benefits and 388 being assisted through the Adopt-An-Annuitant ministry.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extension 174, visit our Web site at www.bscnc.org or call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Jason and Lacey know real hope after facing hopeless times. Jason and Lacey lived with their mother in Hilo, Hawaii. It sounds wonderful, but for the brother and sister it was far from paradise. Their mother's lifestyle constantly placed the two children in danger. Jason was given the blame by his mother for many of the things that had gone wrong in her life.

"She didn't care about anything," Jason recalls now. "I was just there. She didn't care for me."

Jason drew violent pictures. He had difficulty relating to people and was diagnosed with attention deficit disorder. Soon his secrets were exposed. He had suffered severe physical and emotional abuse by his mother. Drugs had been a pervasive part of his life. He had begun using drugs when he was six years old.

Once Jason's grandparents discovered the truth about Jason's life, they sought immediate help for their grandson and found the help they desperately needed from Baptist Children's Homes. In August 1996, he began his new life at Broyhill Home in Clyde.

Lacey still lived with her mother. The two moved to Arizona. Lacey spent her days in the cab of her mother's boyfriend's semi-truck. She was not attending school. After Jason left, Lacey became the focus of her mother's abuse.

Again, the siblings' grandparents intervened. The couple began to think about bringing Lacey to live at Broyhill Home. In 1997, 14 months after Jason, she was safe. Lacey and Jason's grandparents credit Baptist Children's Homes for giving their grandchildren real hope.

Lacey says she plans to be a lawyer. She likes fighting for the underdog. Jason has plans for a career in broadcast journalism. Since coming to Broyhill Home, both children have accepted Christ as their Savior.

"Things began to turn around for me when I became a Christian. I began to read my Bible," Jason says. "I learned a lot of the answers to my questions. I felt like I could be more open."

"Jason might be in an institution, in prison or dead. We try not to even think of what Lacey's life would be like today," the grandparents say. "They've been saved!"

Jason and Lacey are two of the 1,855 children cared for by BCH last year.

Baptist Children's Homes grieves with Nation after September 11th attack - BCH president calls for acts of kindness. In the wake of the tragic events of September 11, BCH president Dr. Michael C. Blackwell stepped to the forefront to calm and encourage children and families. As the nation reeled from the attack, Blackwell immediately offered words of comfort to families through news media from Louisiana, Arizona, Alabama and across North Carolina. He urged Americans to "show kindness" to one another and exhibit "acts of goodness" toward their communities in response to the violence exhibited against our country. BCH children and staff united to provide needed items for those serving at Ground Zero and gave blood for the victims. Despite the physical and emotional effects of September 11, BCH's mission has remained unwavering. "America's spirit has not been lost, and our spirit of helping and healing is stronger than ever," said Blackwell.

BCH faces financial shortfalls due to 9/11, North Carolina Baptists rise to meet financial challenges. As charities across America began to feel the financial effects of 9/11, Baptist Children's Homes also faced shortfalls. Experiencing nearly a 60 percent drop in annual fund giving, President Michael C. Blackwell made an urgent plea to friends and supporters. After an intense effort including personal letters and phone calls, North Carolina Baptists responded, rallying to close the gap by year-end. "I knew North Carolina

Baptists would not forget their children," said Blackwell. North Carolina Baptists also stepped forward by meeting the 2001 Thanksgiving Offering Goal. Today, the effects of 9/11 are still being felt. "It is important for North Carolina Baptists to not grow weary in their efforts to help our boys and girls," said Blackwell. "Our churches are our lifeline. It is because of them we are able to touch the lives of so many."

New BCH strategic plan unveiled. *Quest: A Journey of Excellence* is the title of the new strategic plan that will guide Baptist Children's Homes through 2004. The major goals of the new plan include recruiting and retaining competent qualified staff; training staff; and maintaining and enhancing BCH facilities.

BCH Trustees approve allocation for Information Technology. Trustees made way for sweeping technological improvements throughout BCH. A new Information Technology Center was created and work began to connect all ministry sites digitally. "Every step we take is designed to enable us to better serve children and families. . . . today and in the future," said Dr. Michael C. Blackwell.

Gastonia couple honored at Nolen Building dedication. William "Red" and Mabel Nolen were recognized for their contribution at the dedication of the newly renovated and renamed Nolen Administration building at Mills Home on January 22, 2002. A gift from the Gastonia couple, who have long-time ties to BCH, made the necessary renovations possible.

BCH's Developmental Disabilities Ministry dedicates two new group homes. More than 200 Baptist leaders, Baptist Children's Homes administrators, staff, and guests were in attendance for the historic dedication of BCH's first, new group homes for developmentally disabled adults on March 26, 2002. The two homes, Davis House and Hinkle House, joined Baptist House at Bethabara located in Winston-Salem. Plans to break ground on the next DDM group home to be located in Sanford are scheduled for 2003. Baptist State Convention President Dr. Jerry Pereira, who spoke at the dedication, predicted "the Lord is going to do great and mighty things" through this ministry.

***A Place for Miracles* published.** In March 2002, BCH president Michael C. Blackwell introduced his second book. More than three years in the making, *A Place for Miracles* is a mixture of history, autobiography, inspiration, and vision. The book received the 2002 Baptist Communicators Association Design Award for Best Book Design.

***New Millennium Families: A Study Guide* introduced to North Carolina Baptists.** In September 2001, the study guide to BCH president Michael C. Blackwell's book *New Millennium Families* was introduced at the first of two statewide Deacon-Spouse Training Events in Bryson City. A total of more than 200 deacons and their spouses attended the two conferences. Blackwell and study guide creator Gaylin Huff led group sessions regarding the changing make-up of families as discussed in the book and its effects on the church in North Carolina. *A Study Guide,* to be used with *New Millennium Families,* helps teachers prepare for and guide groups of adults using four different formats: 7 Week Study, Youth Parent Study, Single Parent Study, and Family Ministry Study.

Baptists called to join "Chain of Prayer" for North Carolina's children and families. BCH president Michael C. Blackwell has asked for all North Carolina Baptists to participate in the "Chain of Prayer." Begun in February 2002 at the annual Baptist Men's conference in Charlotte, this physical chain is made up of thin strips of paper containing the handwritten prayers of NC Baptist men, women and children. Throughout the year, these strips are being gathered by BCH representatives and formed together into a chain that will be displayed at this year's Baptist State Convention in November. With children and families facing many different sources of crisis in today's world, Dr. Blackwell believes this statewide unification of prayers for children and families in our state will yield great results.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement - "helping hurting children . . . healing broken families" - through 14 locations throughout the state. **Thank you, North Carolina Baptists, for your continued prayers and support.**

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2001 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2001, the Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling $4.8 million and received $9.4 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $2.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $16.5 million in contributions, it was the best year ever eclipsing the previous high of $10.1 million recorded in 2000.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2001, the Foundation held $106.8 million under management. This is an increase of more than $9.4 million over 2000.

During 2001, our distributions totaled $6.7 million, with charity receiving $4.4 million and individuals, through trusts, receiving $2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., $20.8 million has been distributed to individuals and $36.8 million to Baptist churches, institutions and mission causes for a grand historical total of $57.6 million.

BAPTIST HOSPITAL REPORT

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: PARTNERS IN MISSIONS

The Baptist Hospital mission began in 1921 when our North Carolina Baptist founders stated, "We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Gold crosses that adorn the exterior of the hospital symbolize our historic and daily commitment to bring medical excellence and Christian compassion to those we are privileged to serve. This report will highlight our partnership with North Carolina Baptists in continuing the mission of healing.

SCHOOL OF PASTORAL CARE

Our mission at the School of Pastoral Care is ***"to provide ministries of growth, hope, and healing in the Spirit of Christ."*** This defines the spiritual essence of who we are and the meaning of what we do in caring for hurting people. We are very thankful to North Carolina Baptists for their gifts to the School through the Cooperative Missions Program. You are making a tremendous difference as our partner in life-changing ministries.

CareNet, Inc., our Department of Pastoral Counseling, is the largest faith-based counseling system in the nation. We continue to expand our services across North Carolina. The scope of this ministry is astounding: 27,000 hours of counseling per year at 21 locations. These include 4 regional centers (Winston-Salem, Greenville, Fayetteville, and Wilmington) and 17 strategically located satellites. The individual stories of emotional and spiritual healing, of broken families being restored, are even more telling.

The Center for Congregational Health celebrates its 10th Anniversary in 2002. Dr. David Odum has been the Center's visionary leader from its beginning. The initial mission continued to guide this ministry of helping churches become healthier communities of faith. The Center is providing consultation to approximately 25 churches per month, and training to over 600 church leaders per year. The financial support of N.C. Baptists allows Baptist churches to receive initial consultation at no cost, and provides subsidies for churches and ministers needing financial assistance. Please call the Center for more information (336-716-0459).

The Department of Chaplaincy and Pastoral Education provided ministry through more than 61,000 pastoral contacts in the past year. Every day chaplains can be found comforting bereaved families, praying for seriously ill patients, reading Scriptures to those who are afraid, offering comfort and extending hope in the name of Jesus Christ. Fifty-three students received supervision and training in 2001.

The Department of Church and Community Relations continues to serve its mission as a liaison between the Hospital and North Carolina Baptist churches. We welcome you to call Rev. Paul Mullen if you need assistance (336-716-3027). Many pastors call on behalf of church members who need a referral to the Medical Center or have concerns about medical bills because of financial needs. Speakers can be requested to provide an overview of the Hospital and its ministries to church groups.

BAPTIST BENEVOLENT CARE FUND

It is a difficult burden to be physically sick and worried about how to pay for needed medical care. North Carolina Baptists extend the compassionate reach of missions to patients in financial need at Baptist Hospital through their gifts to the Mother's Day Offering. Those you have helped are deeply thankful for this gracious witness to the love of Jesus Christ, and they are drawn closer to Him. All of the funds are used for this pur-

pose. **Thank you,** North Carolina Baptists, for giving $568,808 to this ministry in 2001!

CLOSING WORDS FROM THE PRESIDENT

We at Baptist Hospital are very thankful to be partners in the mission of healing with North Carolina Baptists. Our roots are in this partnership, beginning as a mission enterprise of the Baptist State Convention in 1921. This report also highlights the ongoing nature of the relationship with the School of Pastoral Care. We have a sacred privilege and responsibility to serve Jesus Christ by serving people in need at Baptist Hospital. We thank you for being our partner in these "ministries of growth, hope, and healing." We ask that you pray for our patients, their families, and our staff as we seek to serve our Lord each day at the Medical Center.

BAPTIST RETIREMENT HOMES

The generous support received from North Carolina Baptists has enabled Baptist Retirement Homes to lead the state in providing benevolent care for Older Adults who lack sufficient financial resources to pay for the quality care they deserve. At all Homes communities, residents rest in the knowledge that they will be cared for as long as they live.

Baptist Retirement Homes continues to be on the cutting edge of meeting the needs of Older Adults . . . particularly those dealing with dementia-related conditions, such as Alzheimer's Disease.

In recent years, the Homes has established specially designed residences to meet the special needs of these dear ones. The Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville has been operational since 2000; the Kulynych Memory Enhanced Residence opened at the Brookridge Retirement Community in Winston-Salem in 2001; later this year, a third residence will open at the Homes' newest community, The Gardens of Taylor Glen, in Concord.

Thank you North Carolina Baptists, for helping us make life for the Older Adults of this state . . . "the Best of Times!"

BIBLICAL RECORDER

2002 Associational Report

The world is changing rapidly, and Baptists are changing right along with it. Gone are the days of a simple denominational life or a single way to be Baptist. Never has it been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The Biblical Recorder exists to provide this needed service to Baptists in North Carolina and beyond. The Recorder staff works diligently to comb through many sources of information and distill them into a trustworthy resource that offers regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the Biblical Recorder includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The Biblical Recorder's strategic role in promoting God's kingdom work through

North Carolina Baptists grows from its mission statement: **"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."**

As the official news journal of the BSCNC, the Biblical Recorder has functioned faithfully since its establishment in 1833 by Thomas Meredith. The Recorder was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The Biblical Recorder is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for news and editorial writing in 2000, and taking the association's top prize for news writing in 2001.

The Biblical Recorder offers a special service that make it possible for churches to combine a regular newsletter and the Biblical Recorder in a single package, offering significant financial savings.

In addition to its printed form, the Biblical recorder maintains a popular presence on the World Wide Web at www.biblicalrecorder.org. This Web site offers Internet users an opportunity to read much of each paper's content online, as well as to access classified ads, online Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the Biblical Recorder receives annual support from Cooperative Program gifts, making it possible to offer the Recorder at very affordable subscription rates. Subscription packets and free sample issues are available. For more information please contact:

COUNCIL ON CHRISTIAN HIGHER EDUCATION BAPTIST STATE CONVENTION OF NORTH CAROLINA 2002

"Shaping Lives for...a Life" is the mission of North Carolina Baptist colleges and universities.

Students come to the campuses of Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate expecting to receive an education. What they may not expect is an experience that will shape the rest of their lives.

Like the artist who carefully and methodically sculpts wet clay, giving it form and function, the faculty and staff of North Carolina Baptist colleges and universities shape the lives of students through their dedicated teaching and mentoring.

The graduates of these campuses emerge as people who become our future ministers,

doctors, lawyers, artists, teachers, business people and church and community leaders.

It has been shown that graduates of church related institutions invest themselves in their churches and communities in greater numbers than graduates of public institutions of higher education. As a result of the support of North Carolina Baptists, the future looks bright for our churches and communities.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of North Carolina last year made it possible for six hundred twelve (612) members from four hundred forty-five (445) convention related churches to receive special scholarship assistance to attend our five affiliated institutions of Christian higher education. Seventy-four (74) out of eighty (80) associations were represented in this group.

Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous North Carolina Baptists. One of those recipients lost his father unexpectedly during his freshman year in college. Scholarship assistance from North Carolina Baptists made it possible for him to continue with his studies. He graduated this year.

Another scholarship recipient is the mother of six children. In spite of the pressures to be a good mother, she pursued her studies while holding down a full-time job. She, too, graduated this year with a perfect 4.0 grade point average. She is employed by a North Carolina Baptist institution.

These are a few of those who are benefiting from your generous support of our Baptist State Convention. In the coming years, we will benefit from their contributions to our life as North Carolina Baptists.

GARDNER-WEBB UNIVERSITY

2001-2002 Academic Year Summary

As Gardner-Webb officially enters into a countdown to its centennial in 2005, the institution is experiencing success in all phases of campus life. Despite a progressive move into the 21st century, however, the University's mission remains the same as it has been since its founding in 1905 - to provide learning of distinction within a caring Christian environment.

The 2001-2002 year at Gardner-Webb will be noted in the annals of the University's history as one of extreme significance. Programs and facilities, affiliations, personnel and student body all were enhanced further to continue the institution's rise to regional and national prominence.

Programs such as the M. Christopher White School of Divinity have continued to offer new and dynamic courses of study under the leadership of highly respected faculty members. In Fall 2001 Gardner-Webb began offering its first-ever doctoral program, the Doctor of Ministry (D. Min.) degree, with the maximum number of students enrolled.

The School of Divinity is prepared to enter this new realm with strong administrative and faculty leadership, and challenging curriculum and auxiliary offerings as well. A hallmark of the GWU divinity experience continues to be the annual Holy Land and Paul's Missionary Journeys Study Tours. The trips, now underwritten by GWU for divinity students, is led by GWU President Dr. Chris White, a noted authority in biblical studies, and Dr. Wayne Stacy, Dean of the School of Divinity.

The School of Divinity also welcomed the addition of two newly established endowed chairs in 2001-2002. The Bob D. Shepherd Chair of New Testament Interpretation was the first endowed chair to ever be formed at GWU, and Dr. Todd D. Still was named at opening divinity convocation to occupy the esteemed position. In the spring, the Randall Lolley Chair of Pastoral Studies was completed in honor of Dr. Lolley's tremendous impact on Baptist life.

The Center for Congregational Enrichment, a function of the School of Divinity, this past year was the beneficiary of GWU's largest-ever grant, a $1.25 million gift from the Lilly Foundation to begin a program for youth that nurtures the call to Christian ministry. Hired this year to direct the Center and the new Lilly program was Dr. Danny West, a noted Baptist leader who will administrate the innovative new Lilly venture while continuing the Center's work to provide seminars and workshops to laypersons and church leaders on timely topics that range from teaching Sunday School to effective church administration.

The same sense of excitement and progress that has marked the past year in the School of Divinity has permeated the entire institution as well. Other areas of the University that were lauded this past year include the GWU School of Education, which had its teacher education program ranked for the third year in a row among the top programs of its kind in a recent study produced by the State Board of Education. The School of Education is recognized for quality in all its departments with accreditation from the National Council for the Accreditation of Teacher Education (NCATE), the most prestigious status that can be achieved in teacher education.

Further indication of Gardner-Webb's commitment to the highest level quality of instruction is Dr. Gail Price, winner of the 2001-2002 Fleming-White Excellence in Teaching Award that honors the University's most outstanding faculty member. Price, professor of English and past chair of the GWU Department of English Language and Literature, has brought her Christian influence and integrity to the classroom for more than a decade, and her honor was voted upon by not only students, but fellow faculty and staff as well. Dr. Price is a widely respected authority in her field and regularly participates in

innovative efforts locally, regionally and nationally to continually raise the standard of excellence in English and writing instruction.

Furthering its mission to provide world-class education in a Christian setting, Gardner-Webb has refined and expanded many of its 17 off-campus locations this year as well, including the new "Gardner-Webb University at Statesville" operation. Providing the only four-year opportunity to that region of North Carolina, GWU at Statesville is settling into a new, state-of-the-art facility in Iredell County that spans over 11,000 square feet. In April, a new facility was unveiled in Mecklenburg County as well, officially named "Gardner-Webb University at Charlotte." The institution's evening school offerings for working adults are offered at the site along with multiple graduate level programs for the citizens of that area also.

The quality of the student body continued in 2001-2002 to set new standards of excellence at GWU. The average GPA for incoming students was over 3.4 and the average SAT was 1100. A newly completed strategic plan for the University identifies this quality of student as being key to the growth and progress of GWU's next decade. In addition, the strategic plan and accompanying master plan have set forth ambitious and exciting goals for the university in the next decade, including expansion of the physical campus and academic programs, among others.

The new 2001-2002 year also meant the completion of GWU's transition phase to NCAA Division I status. Fall 2002 marks the beginning of a new era in athletics, as well as academics and recognition, as Gardner-Webb has begun competing in the Atlantic Sun Conference (formerly the TAAC). This move to Division I and conference affiliation opens new doors institutionally for Gardner-Webb as new markets and opportunities for exposure are tapped in member cities such as Miami/Ft. Lauderdatle, Orlando, Jacksonville, Birmingham, Nashville and Atlanta.

Students at Gardner-Webb also enjoyed another eventful year full of opportunities to grow in all areas of their well-being. Notably, many students again participated in Ministerial Education (M.E.) Days, which allow undergraduate and graduate ministerial students the chance to preach in Baptist churches in area associations through a cooperative arrangement with the GWU Office of Campus Ministries. That office continues also to offer the weekly DIMENSIONS program to students, which features prominent speakers and performers who bring positive messages of their Christian faith each Tuesday throughout the academic year.

As a leader in the Baptist community, Gardner-Webb takes seriously its responsibility as a beacon of quality Christian higher education to the state, region and the nation. The decisions made by the Board of Trustees and the administration will continue to reflect that philosophy as the University charts a course for the 21st century.

Staying true to its affiliation with the Christian faith, Gardner-Webb remains appreciative for the generous support it receives from the Cooperative Program and feels that the school is more effective as a result of offerings that are enhanced with these funds.

C. David Boan
Director of Church Relations
